GRATITUDE GRANTS 2017

We know that you and other West Contra Costa teachers go above and beyond every single day – including spending your own money on classroom supplies. Our annual Gratitude Grants program is our way of expressing appreciation for all that you do.

THANK YOU for your incredible commitment to West Contra Costa kids!

WHAT:

- Your name, grade level and email address
- Description of how this grant supports an academic goal or outcome you have for your students
- Total amount requested (up to \$250)

The Chamberlin Family Foundation supports people and ideas that create the excellent K-12 public schools our children deserve. In particular, we focus on the educational needs of those students in our community who are too often left behind. Susan and Steve Chamberlin, Richmond residents and graduates of public schools, believe education is the pathway to rewarding life options for every child. The Foundation has deep respect for the talented teachers in our local schools, and we thank you all for your commitment to West Contra Costa students.
